Dear Sirs:

We are writing this letter to you as a commendation to your representative, Chris Volkamer.

We were most impressed with his clear, honest and frank approach and presentation of your product.

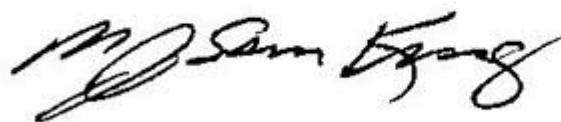

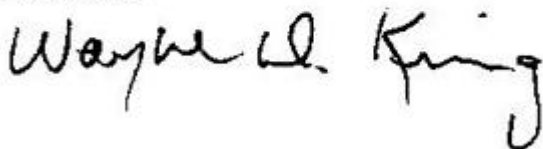

Our home is located on the Beaver Creek golf course north of Des Moines at Grimes, Iowa. In October of 2002, Chris met with us and made a professional proposal to enhance the appearance of our property.

Chris and his crew put into place more than 700 feet of Border Magic edging and for emphasis they circled two Chanticleer pear trees that guard the driveway.

Chris has a workforce of friendly and hardworking young men. They were gentlemanly and neat and a pleasure to have in our home.

We have already highly recommended him to neighbors and friends. Our daughter will be building a new home in the spring and we look forward to engaging Chris' services again.

Sincerely,

Wayne D. and MJ 'Sam' King
